The certificate and schedule are held in force by regular annual surveillance visits by IFC Certification and the reader or user should contact IFC Certification to validate its status. This certificate remains the property of IFC Certification and must be returned to them on demand.

Certificate number: IFCC 1489

The production of fire resistance timber doorsets are manufactured in accordance with assessment/ test reports referenced within the following table:

Doorset Description	Dual Rating	Summary Report
SecureSound	FD30/PAS24	SFS/17180/01
SecureSound	FD60/PAS24	SFS/17180/02
SecureSound VC	FD30/PAS24	SFS/18686/01

The scope of the certification is limited to the details and parameters contained within these reports and all aspects of the specification and limitations defined therein must be satisfied.

It is the certificates holder’s responsibility to ensure that the latest version/revision of the above assessment/test reports are maintained as part of the audited FPC system.

Failure to comply with all specifications will invalidate the certification and may jeopardise the fire and security performance.
