2nd August 2023

Dear Josh

Revalidation of Field of Application Falcon Strebord© 54 Doorsets For 60 Minutes Fire Resistance - Chilt/A02067 Rev K

This letter is to cover the validity of the Field of Application (FoA) report stated above, which is currently being revalidated.

This letter extends the validity of the above report from 7th August 2023 until 7th November 2023, by which time a new revision of the report will be issued. This letter will cease to be valid when the new revision of the report is issued as final.

Please note the caveat below my signature.

Yours sincerely

Nikolas Whitelock
Senior Product Assessor

Note: The field of application report referenced above represents our opinion as to the performance likely to be demonstrated on a test in accordance with BS 476 Part 22:1987, on the basis of the evidence referred to in the report. We express no opinion as to whether that evidence, and/or the field of application report, would be regarded by any Building Control authority as sufficient for that or any other purpose. This report is provided to the client for its own purposes and we cannot opine on whether it will be accepted by Building Control authorities or any other third parties for any purpose.
